# Account Change Form

California

## Instructions

- If you are an existing Kaiser Permanente for Individuals and Families (KPIF) member enrolled directly into a KPIF account, you may use this form to make plan changes or account changes. Only the subscriber or parent/legal guardian of a child-only account can fill out this form.
- If you are an existing KPIF member enrolled through Covered California, all account and plan changes to your existing coverage must be requested through CoveredCA.com. If you are not sure how you are enrolled or need additional support, please call **1-800-255-5169** (TTY **711**).
- There are different types of plan changes and account changes you can make with this form. Please fill out your personal information in Section A. Then select what changes you'd like to make in Section B, and continue on to fill out any other sections related to those changes.
- If you are a subscriber ending coverage, your dependents' coverage automatically ends. You may choose to keep your children under 21 years of age on a child-only account. If you're ending KPIF coverage because you are newly eligible for Group coverage or Medicare, your dependents have a Special Enrollment Period to enroll in new KPIF coverage. Go to **kp.org/specialenrollment** or contact Member Services to learn more.
- If you're adding a dependent to your plan, any other coverage they have won't be automatically canceled unless stated in this form. To avoid paying for 2 plans or having a gap in coverage, please cancel any other coverage they have as of the day before their new coverage starts.
- Note: If you're entitled to Medicare Part A or enrolled in Medicare Part B, you're not eligible to change KPIF plans. If a family member is entitled to Medicare Part A or enrolled in Medicare Part B, they're not eligible to change KPIF plans or be added to your KPIF plan as a new dependent.
- Please note the Health Insurance Counseling and Advocacy Program (HICAP) provides health insurance counseling to California residents free of charge. Call HICAP at 1-800-434-0222 to learn more. See page 8 to find your local HICAP program information.

Is the primary applicant purchasing this plan using a health reimbursement arrangement (HRA)? ☐ Yes
If Yes, what type: ☐ ICHRA ☐ QSEHRA

Under an individual coverage health reimbursement arrangement (ICHRA) or a qualified small employer health reimbursement arrangement (QSEHRA), your employer will establish and fund an account to help you pay monthly individual plan premiums and out-of-pocket expenses as an alternative to traditional group health coverage.

Using an employer's HRA to help pay premiums and out-of-pocket expenses does not change your eligibility for a Kaiser Permanente Individual and Family plan.

## F. Choose your optional adult dental plan

Dental coverage is included in your health plan for child members until the end of the month in which the member turns 19. Kaiser Permanente offers an optional dental insurance plan to adults, which includes those individuals whose eligibility for pediatric dental services has ended. This optional coverage is available for an additional charge.

You can enroll in or end adult dental coverage in the optional dental insurance plan during open enrollment, annual member renewal, or a special enrollment period. Our optional adult dental coverage is underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc. (KFHP), and administered by Delta Dental of California, one of the nation's largest and most experienced dental benefits providers.

Please refer to the Summary of Dental Benefits Coverage (SDBC) *Disclosure Matrix* for complete details of the KPIC dental plan by visiting **kp.org/kpic-dental**.

- ☐ Add optional adult dental coverage.†
- ☐ End optional adult dental coverage.†

†Once enrolled, I understand I can't cancel my dental coverage without also canceling my health plan coverage, except during open enrollment or a special enrollment period.
