Please note: Continued eligibility for the Community Health Access Program is not guaranteed. We reserve the right to close enrollment or change the eligibility rules at any time. Frequently asked questions

1. **How long does it take to find out if I am approved or denied for Kaiser Permanente's Community Health Access Program?**
   Completed forms that include all required documentation can take up to 6 weeks to process. If information is missing, it may take longer and you may miss the deadline for reapplying. Completion of this form does not guarantee enrollment in Kaiser Permanente's Community Health Access Program.

2. **How much will I pay each month for the Kaiser Permanente Community Health Access Program?**
   No monthly payment is required. Kaiser Permanente will subsidize the full monthly premium.

3. **What happens when I no longer meet the eligibility requirements?**
   When you no longer meet our eligibility requirements, you will be disenrolled from Kaiser Permanente's Community Health Access Program. You will remain enrolled in the MD Gold 0/20/ Vision plan, but you'll have to pay your full monthly premiums and out-of-pocket costs, unless you ask us to end your membership or until you fail to pay the full premium. See Section 5 for your options.

4. **I can't afford to pay for coverage through Maryland Health Connection. Can I still qualify for the Community Health Access Program?**
   Not being able to pay Maryland Health Connection premiums does not qualify you for the Community Health Access Program. You must meet the Community Health Access Program income and other criteria to qualify.

5. **What other health coverage programs are available?**
   - **Consider Medicaid or Maryland Children's Health Program.** This option may be available if you were born in the United States or are a lawful permanent resident, and your yearly income is at or below 138% of the federal poverty level ($20,120 for an individual or $41,400 for a family of 4 in 2023). Kaiser Permanente is a Medicaid provider and may be available to you. Please visit **kp.org/medicaid/md** for more information.
   - **Buy health care coverage through Maryland Health Connection.** If you qualify, you may get help paying for your plan premiums or out-of-pocket costs. Remember to enroll during the Maryland Health Connection open enrollment period. If you wait until after the open enrollment period ends, you'll need a qualifying life event to enroll in a new plan. For more information visit **marylandhealthconnection.gov**.
   - **Call us at 1-800-488-3590** (TTY **711**) or visit **buykp.org** to learn about other Kaiser Permanente for Individuals and Families plan choices.
   - **Consider Medicare,** a federal program available to people ages 65 or older. There are different periods in which you may be eligible to enroll in a Medicare health plan. Visit **kp.org/medicare** for more information. If you have limited household income, you may qualify for Medicaid. Please visit **kp.org/medicaid/md** to learn more.

Frequently asked questions *(continued)*

6. **Is the Community Health Access Program a public benefit that could impact my ability to become a lawful permanent resident or U.S. citizen in the future?**
   No, the Community Health Access Program is not a public benefit. It is a Kaiser Permanente sponsored program to help pay for health coverage for low-income families and individuals that don't have access to public/private health coverage.

7. **What if the person listed as the primary member is not eligible for the Community Health Access Program?**
   If the primary member is no longer eligible, then do not submit this Reapplication for subsidy form. Instead, eligible members who want to continue on the Community Health Access Program next year must submit a new application. Call us at **1-800-777-7902** (TTY **711**) for information on submitting a new application during Open Enrollment.
