Please note: To enroll in CHAP, you must complete your open enrollment forms through an assigned organization in your local community.

Continued eligibility for CHAP is not guaranteed. We reserve the right to close enrollment or change CHAP eligibility rules at any time. If you are approved for the CHAP subsidy, eligibility for the subsidy is limited, and we will contact you in the future to confirm that you still qualify.

The Maryland (MD) Gold Value 0/20/Vision or Virginia (VA) Gold 0/20/Vision plan *Summary of Benefits and Coverage (SBC)* is available online and includes details of the health plan. Go to kp.org/sbc and click your state on the map. Then under "2022 Plans Offered by Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.," click the MD Gold Value 0/20/Vision or VA Gold 0/20/Vision plan. For a paper copy at no cost, call **800-777-7902 (TTY 711)**. Copays listed in the SBC won't apply for most care at Kaiser Permanente facilities if you're covered by CHAP. The CHAP is not available in the Washington, DC, area.
