

# Get health coverage at low or no cost to you

Children and young adults can get high-quality care with Kaiser Permanente's Community Health Care Program

## Now coverage is within your reach

The Community Health Care Program (CHCP) is for children and young adults who can't get any other health coverage. And you don't have to be a U.S. citizen to be eligible.

### CHCP members will get the Kaiser Permanente Platinum 90 HMO plan.

- You won't pay monthly membership premiums.
- You'll pay low or no costs for most covered services at Kaiser Permanente facilities.

### Do I qualify?

#### You're eligible for CHCP if:

- You live in a Kaiser Permanente service area that is open to new enrollment and:
  - Are 25 and under and live in Fresno, Kings, or Madera counties
  - Are 18 and under and live in any other county in Northern California
- Your household income is no more than 3 times the federal poverty level (for example, up to \$38,280 for a single person or \$78,600 for a family of 4 in 2020).
- You don't have access to any other health coverage, including Medi-Cal, Medicare, a job-based health plan, or coverage through Covered California.

#### You may be eligible for Medi-Cal if:

- You're 18 and under with a total household income at or below 266% of the federal poverty level (for example, \$69,692 for a family of 4 in 2020).
- You're 19 to 65 with a total household income at or below 138% of the federal poverty level.

**Please note:** Many children and young adults 25 and under – including noncitizens – now qualify for Medi-Cal. Those who qualify for Medi-Cal are not eligible for CHCP.

### What happens if my situation changes?

If you become a member, we'll check in with you periodically to see if you still meet the CHCP requirements. If you don't, we'll notify you and you'll be disenrolled from the program. After that, you'll have to pay the regular monthly premiums for the Kaiser Permanente Platinum 90 HMO plan, as well as any out-of-pocket costs – unless you ask us to cancel your membership.

# A healthy future starts here

The Community Health Care Program provides a subsidy to help pay your monthly premiums and most out-of-pocket medical costs for children and young adults.<sup>1</sup>

## Apply during a special enrollment period

In general, the special enrollment period lasts 60 days after a qualifying life event.
